

# Downtown Denver Dining Zones

Denver has a very accessible and walkable downtown. The 16th Street Mall is a mile and a half long pedestrian street that runs through the center of the city. The Mall is lined with trees, planters, cafes and restaurants, shops, fountains, plazas and parks. A fleet of over thirty free shuttles carry shoppers, visitors, and the downtown workforce along the length of the Mall, stopping on every corner in each direction. The shuttles operate seven days a week, free of charge. Monday through Saturday the shuttle operates from 6:00am until 1:00am, and Sunday from 7:00am until 1:00am. During peak times, the shuttles arrive at a rate of every 70-90 seconds. All shuttles are wheelchair accessible. The free Mall shuttle brings all downtown hotels, businesses, and restaurants within easy walking distance.
