Associate

Membership Application

Welcome to the Taxicab, Limousine & Paratransit Association, otherwise known as TLPA. Established in 1917, we're a non-profit trade association with a diverse membership of about 1,000 leading fleet owners and managers. To help you reach these elusive, exclusive, and all-important decision makers with your product and service, we offer a category of membership called Associate Membership. It provides suppliers like yourself with several easy, cost-effective ways to promote your company to the passenger transportation industry. **More than 150 Associate Members already belong to TLPA because of the value and connections their membership provides. They have their foot in the door with leading transportation fleets, and so can you by joining TLPA now.**
