Course

The Bali Hai Golf Club offers guests an ultimate golf experience right on the famed Las Vegas Strip. At Bali Hai, it's all about ensuring everything is perfect from the moment players set foot on the grounds until they drive away. No detail is overlooked and each and every player is treated as a VIP. From the pristine course—an 18-hole layout designed by Brian Curley and Lee Schmidt—to an elegant clubhouse that features top-name designer clothing, to Cili Restaurant, Bali Hai raises the bar when it comes to Vegas golf course experiences. The course is highlighted by seven water features, more than 4,000 trees, 100,000 vibrant plants, brilliant white-sand bunkers and a three-hole finishing stretch that will leave players breathless. Bali Hai's par-3 16th plays to an island green and is followed by a pair of PGA Tour-length par 4s. The 18th hole is one to remember. The long second shot is to a green protected by a pond on the right side that laps up to a beach-like bunker right next to the green. And for TLPF players, the best news is that Bali Hai is located right off the Strip—15 minutes from Caesars Palace.
